Old Business - Jeff Farmer, Chairperson

Jeff reported on past attendance numbers for ILC. Last November 2, 2024, The Grove Church in Madison, AL hosted ILC “ASL Night of Praise”. ILC was great. One hundred thirteen people attended.

Last year, none from ASD attended JrABCD, but there will be 11 students from ASD (8 students registered and 3 students waiting). Good news for JrABCD 2025.

Jeff chose Elizabeth Webb from Madison, AL. as worship leader.

Secretary’s Report – Jin Mayer

We reviewed minutes from the August 24, 2024 meeting. Jeff accepted the minutes as read. Jin remembered her errors from March 8-10 business meeting what Jeff mentioned no students from ASD last March, and she needed to review the numbers of attendance. Jin will send an email with attachment March 8-10, 2024 business meeting to the Board before ABCD 2025.

Financial Report – Paul Pitts

Paul had not received the SBOM financial report from Kristy, and he asked Kristy for budget information before editing the financial report.

Joshua reviewed the ABCD Expenses/Revenue budget and asked Kristy to check SBOM budget. To improve the budget with new method of financial report, Joshua suggested with Paul and Kristy to separate 4 categories (ABCD, JrABCD, Interpreter, ILC). So, we can see all 4 categories’ details in

the financial report. Kristy and Paul agreed Joshua's and will work on budget to adjust, and Paul will send email the draft financial report to the ABCD Board.

SBOM – Joshua Huffman

Joshua mentioned we were able to set up the interpreter conference with the guidance of Jeff and Kris Courson. Interpreter Conference will be lead by Kris Courson and his wife Frances Courson. Also, Joshua mentioned ABCD will need to write a check \$25.00 to SBOD/ITP to process the application for CEUs to be submitted and given to those interpreters who will be attending the workshops.

Joshua works on the ABCD website. There is a lot of information posted on the website. He found out that someone has pictures of ABCD from past years from David Richardson's. Joshua will make a copy at SBOM to post on the website and will put all pictures and history in a safe place in SBOM. Joshua's goal is to look at all the pictures and history that will be on ABCD websites so people can enjoy their memories and keep ABCD alive. Joshua knows that Jin has ABCD history, and she needs to add themes with verses to the list of ABCD Conference with guest speakers and attendances.

Jin informed Joshua that she admitted she was busy. She almost finished last year and now needs to review. Jeff discussed that he knows the history, and he can help organize the history. Jeff and Jin will set up the plan after ABCD Conference. Jin agreed to help Joshua organize the pictures whenever he needs help.

Jeff informed Joshua that he is willing to join to help Joshua and Jin.
