Grace Notes

July is the month that many people will take their vacation, and one of the favorite places for many people is their beach trip. Many families have their beach traditions – early morning walks on the beach, breakfast at their favorite pancake house, board games in the afternoon, and their favorite restraint for dinner. Others use the time to catch up on their reading. Others enjoy working together on meal preparation, while others catch up on their sleep, and don't forget mini golf and ice cream!

*Happy
Birthday
America!*

Psalms 33 is a powerful Psalm about God's place and ours. After being taught a number of God's attributes, the Psalmist shares these words: "Blessed is the nation whose God is the Lord." *Psalms 33:12*

July 19 – September 6: Hymn Survey

Do you wish that we would sing your favorite hymn in worship? If so, then you are invited to participate in our Hymn Survey from July 19 – September 6. To participate, simply fill out the enclosed form and place it in the basket outside of the church office, or mail to the church at P.O. Box 316. **To be included in the hymn survey, please choose hymns that are in our current hymnal, Baptist Hymnal, 1991.**

When the survey is completed, we will publish the congregations' favorite hymns. Every effort will be made to include one hymn from the survey in worship each week.

Finally my friends, stay cool and hydrated, rest well and encourage others to join you in worship!

Grace and Peace,
Pastor Steve
