## What's Happening Around the Ministry

March 14, 2026 - Cruzin' at the Crest  
Cedar Crest Baptist Church - West Monroe, LA

We spent last year attending many Car Shows to share and noticed other Chapters doing Car Shows, so we decided to do one ourselves. The Lord blessed us with some great weather and a turn out beyond our expectations. Feedback has been positive and we were able to build relationships with other Car Show hosts.

The first person who came to the tent was a teen, brought by his friend. He gave his life to Christ!!!  
There were 4 others throughout the day!

## *Riding on Prayer*

If you have a specific prayer request, please fill out a submission form on the website at:

<https://www.faihriders.com/submit-a-prayer-request/>

Pray for our Chapters out west. While there are many chapters scattered across the eastern part of the US, those in the west are spread out and don't always feel the same connection to the overall ministry. Reach out to them to let them know they are not forgotten and they are a vital part of this ministry.

Pray for our Ministry overall. Next year will be the 25<sup>th</sup> Anniversary of F.A.I.T.H. Riders.

Much has been accomplished in the 24 years so far but we must be even more diligent to follow the leadership of the Lord because we are running out of time.

## *Grace Stories*

This space will feature a monthly testimony of one of our F.A.I.T.H. Rider members. If you would like to have your testimony published here, please send to:

## *One Road, One Faith, One Family*

My husband Pat and I were riding the Cherohala Skyway a couple of years ago and the Lord gave me several thoughts as we took in the beauty around us. Here is one of them. I hope it blesses you the way it blessed me.

### **The Winding Road:**

On this road, just like in life, we have a limited view of where we are going. We trust the road signs that have been placed along the way telling us of curves ahead and what a safe speed is so we can navigate those turns. We should place that same amount, really more, trust in the directions God has given us and Jesus demonstrated for us, our Bible. If you ignore either the road signs or the signs God has given us in His Word, we are certain to miscalculate and end up crashing, or we will play life so safe that we miss out completely on the fun and excitement of the ride and the abundant life Christ has promised us.

*John 10:10 (NKJV): "The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly".*

Got a story you'd like to share? Would love to hear how the Lord is speaking to and using each one to carry out His mission here on earth.

## Preparing for the New Year: A Spiritual Focus

As planning began for 2026, one of our first steps is to seek guidance on the direction the Lord is leading us. For 2026, a recurring message has been the call for everyone to "Repent and Believe." We will center our focus on this theme throughout the year.

Additionally, the Lord has been impressing upon our leadership the importance of prioritizing prayer. We cannot expect His blessings on our efforts if we do not actively seek Him. Therefore, we have established a new opportunity to concentrate on prayer for our events, those we share the Gospel with, and individuals who commit to following Christ.

Keep an eye out for:

- Prayer devotions sent to you
- Opportunities highlighted in our newsletters

Don't forget to register for the upcoming Prayer Ministry for Sturgis. You can sign up here: <https://forms.gle/tadWgzjWivLdYa2g9>
