The Road Behind: F.A.I.T.H. Riders Ministry has been on fire! From Daytona and Myrtle Beach to local hometown missions, you have been diligent in answering the Great Commission. Thank you for your commitment to serving as a team with an intentional purpose.

The Road Under Us: The path is promising. God has blessed our past efforts and has many more uncharted roads ahead. Continue to support this ministry through your prayers, time, and financial contributions as we seek His direction for today.

The Road Ahead: We are setting our signs on upcoming events, including Sturgis SD. Let us remain focused on intentional Gospel-sharing missions. As we plan according to His will, remember to stay alert and keep praying - always with all kinds of prayers (Ephesians 6:18).

Fuel for the Road

Truth to Power Your Journey

Priorities

Matthew 6:33

A couple of years ago I told my youngest daughter three things that will guide your life.

Pressure, Pleasure, & Priorities

Let me explain these 3

Pressure-the little boy tells the little girl, "If you don't, then we're through."

Pleasure- the problem with this is we all have a flesh problem that tries to lead us away from God and into worldliness.

Priorities- God who loves us so much, more than anyone, deserves to be 1st place in our life.

F.A.I.T.H. Riders, if we prioritize God as 1st place by focusing on Him, His kingdom & His righteousness, He promises to take care of the rest.

Let's all slow down and be sure that God is truly our 1st priority.

God bless you all and thank you for all you do!

Where direction, unity & purpose meet

"When I Ride..."

Eric Liddell was a Scottish sprinter, rugby player and a Christian missionary. If you recognize his name, it is likely from the Oscar-winning 1981 film "Chariots of Fire." In a poignant scene in that movie, Liddell tells his sister, "I believe God made me for a purpose: for China. But he also made me fast. And, when I run, I feel His pleasure." As your National Road Captain, let me be clear that God has made me for a purpose: to glorify Him by sharing the gospel of Jesus Christ. But, he also made me with a love for motorcycles and, when I ride, I feel His pleasure.

I realize that I have not had the opportunity to meet all of you. So, by way of introduction, I have been married to my wife Susan for over 36 years and we have two adult children, one grandson, and three grandchildren by way of marriage. I served as a local church pastor for over 30 years and currently serve as the Team Leader for Prayer and Evangelism with the Missouri Baptist Convention. I have been riding motorcycles since my mother rode her own motorcycle to the doctor to confirm she was pregnant with me! I have been a Motorcycle Safety Foundation RiderCoach since 2018 and teach the Basic Rider Course to new riders at a dealership in St. Charles, MO.

In this column, my goal will be to provide tips and guidance for your own individual riding, as well as group rides, providing care for your motorcycle, and understanding the importance of proper riding gear. I am also happy to provide individual instruction or group instruction. So, whether you are a chapter Road Captain or simply a chapter member desiring more info on safe riding techniques, please reach out to me by email at rob.pochek@gmail.com to set up a time for us to chat. In the meantime, I pray that as you ride, you feel His pleasure!

What's Happening Around the Ministry

Mission to Myrtle Beach Bike Week

This was the first year back for many years. A big shout out to **Living Waters Baptist Church in Longs, SC** who allowed F.A.I.T.H. Riders to move in for 9 days. Having a church host our volunteers makes a tremendous impact on how many of our travellers can support the events.

1,097 people had a F.A.I.T.H. Rider share the Good News with them and 49 made commitments to follow Christ. Pray for these new brothers and sisters in Christ to continue their walk and grow in Christ. Pray for the others who stated they needed to recommit themselves to a closer walk with Him. Remember those who heard but walked away that God allows them more time to reconsider that decision.

Testimonies from the Trenches

My first mission trip. I went with the idea of blessing others and introducing them to the Lord. There was no nervousness or apprehension. The more I begin to speak with people the more they opened up and shared as well. I don't know that I personally led anybody to accept Christ, but I know I planted a lot of good seed. As it turns out I believe I gained more than I gave by strengthening my relationship with Jesus. I feel stronger and more attached to him than ever before and more empowered to speak boldly of God and my salvation and relationship.

Shipmate. Roman R.

To be honest with you, this was my first ever missions' trip into the belly of the beast so to speak. I don't have an issue with sharing the gospel with someone, in fact it is my mission to share the love of Jesus wherever I go. This trip to Myrtle Beach was so refreshing and encouraging, watching my team work together for the Kingdom, made this pastor very proud of them all. God was smiling on us during our time there. Even when we weren't serving at the tent, they were on mission to whomever they met. Praise Jesus!

PB&J. Berry C.

This was my first time going on a missions' trip. It really opened my eyes to how cynical people are towards Christians and Christian Bikers, until they talked to us and learned that we only want people to know our Jesus

Missy L.

I just want to say that I was not sure what to expect during Myrtle Beach bike week when our Faith Riders team and I served at the Faith Riders tent. Let me just say, I met some amazing people and I got to serve alongside some amazing people. At the end of our time there I walked away feeling so blessed that God had given me the opportunity to serve with the Faith Riders. And while I was there to try to bless others, I was blessed by wonderful conversations, hugs and quick friendships that were made. Some people were very interested in what I had to say, and some could've cared less. But at the end of it all I knew that I had incredible chances to pray for all of them. I look forward to serving again next year.

Strawberry Jam. Carol C.

Myrtle beach was so rewarding to me. And let me tell y'all I didn't know what to do, or say. But God gave me the words to speak into someone's life within the first 15 minutes of us getting there for our shift. I was able to plant so many seeds, and I am humbled by the whole experience. Wow that was all God!

FAT BOY. Tommy A.

Thank you!

Myrtle Beach Bike Rally rejuvenated my soul. I didn't realize how much of a pastor's routine I had been in until I got out of it. Seeing workers from several states come together to share the gospel was a beautiful thing to witness. The fact that there will be over 40 new believers who will be in heaven was worth everything to me. I always think, what if we had not been there, would they still be wandering in the dark? I thank God for those who went.
