The Road Behind

The Road has been long this past month with mission opportunities some distance away, but God has provided the necessary means to accomplish the mission tasks. Yes, one of our biggest ministry missions - if not the biggest - is in Sturgis, SD, during Bike Week ... or should I say, the 10-day bike mission!

I am so grateful for the approximately 120 volunteers who poured out their time, energy, and resources to be a part of the mission on-site in Sturgis! I cannot forget all the prayers that went up ahead of and during the mission as well! We are a team working together for the mission, so **NO ONE LEFT BEHIND!!**

The Road Under Us

The Road under us seems to be going in many directions, but our mission remains clear: we must faithfully follow up with those who were led to Christ and help them take their next steps with Jesus.

Please continue praying for all 209 people who made decisions. Ask God to help them recognize His path, walk in it, and grow in faith as they begin this new journey.

Second - as our ministry and team leaders prepare for the upcoming outreach efforts, please pray for the mission areas of Tennessee, Arkansas, Florida, and South Carolina. Stay engaged. Keep praying, believing, and reaching. God can use you to make an eternal difference in someone's life.

The Road Ahead

The road ahead is filled with many smooth paths and opportunities to serve. As the weather gets cooler, the road seems smoother! Keep watching for the mission opportunities coming your way, jump in and serve where and when you can. God has allowed each of us the freedom to serve Him, and He wants our verybest. Remember, He gave His very best - let's all do the same! Continue the fight =for that soul in front of you!!

Love you all, and there's nothing you can do about it!! 🤘

Fuel for the Road Truth to Power Your Journey

"Helping People Start Right"

Matthew 4:19-22

A Lifeway research study revealed only about 10% of protestant church goers as having an evangelistic conversation at least once a month. That leaves 90% that have not shared the greatest news ever with anyone in the past month. Have you ever wondered why? It could be many have not started right. In Matthew 4:19, Jesus clearly said, "Follow Me and I will make you fishers of men." But, then comes what I call, the great challenge (v. 20-22). They immediately left everything and followed Him. It's easy to say that you're a follower of Jesus, but the difficulty for many is to leave everything your flesh wants to keep, it's just too expensive. Friends, we'll never do the Great Commission, which is to go into all the world and make disciples of all nations ... bypassing the great challenge.

We have many rallies going on throughout the rest of the year. But, be very sensitive to the Holy Spirit for there could be many sitting in our pews that have yet to embrace the great challenge and become a genuine follower of Jesus. Let's be sure those closest to us have started right.

Always remember, I am praying for you.

"Protective Gear"

Ephesians 6:11

"Put on the full armor of God so that you can stand against the scheme of the devil."

In Ephesians 6, Paul reminds us that the armor of God is our only defense against the schemes of the devil. It is vitally important that we take the issue of spiritual warfare seriously as followers of Christ. Our spiritual health and vitality depend on it.

In a similar way, we need to take seriously the physical threats to us when we are on the road. And, I don't just mean distracted drivers and wild animals. The road itself can do significant damage of us, if we end up coming in contact with it! So, we need protection.

I am a strong believer in wearing protective gear: helmet, armored jacket, sturdy boots, abrasion resistant pants, full fingered gloves, etc. Here is an full list of gear: [MSF Personal Protective Gear](#)

Someone asked me once, why I always wear a helmet. I told them, "when they start making pavement softer, I'll stop!" Same with my jacket. As a general rule of thumb, you can expect to lose 1mm of flesh for every mile per hour you are going over 30 mph, if your skin contacts pavement. A crash at 55 mph, you easily lost an inch of skin and/or muscle. So, put on your spiritual armor and your road armor! In that verse, Paul also mentions prayer. So, I'll ask you to pray for our Rt 66 Prayer Tour Aug 30-Sept 2 in Missouri, and then Sept 3-5 in Oklahoma! You can find out more at [Missouri Baptist - Route 66 Prayer Tour](#)

Remember, I am here to serve you and your chapter members. If you are a Road Captain or a chapter member desiring more info on safe riding techniques, please reach out to me by email at rob.pochek@gmail.com to set up a time to chat.

Strength for the Road Ahead: This Month's Follow-Up Focus

I would like to thank everyone who went to Sturgis and got under the tent sharing the gospel with others. I would also like to give our thanks to everyone who helped prepare food and supported everyone there, as well as everyone who continued in their prayers for the entire rally. God did amazing things through your effort. 209 people gave their lives to Jesus and we are in the process of following up with them now.

Thank you for all you do.

A STURGIS 2026 STORY

Sturgis Bike Week 2026- My wife Robin and I were working the third shift in the F.A.I.T.H. Rider ministry tent on Sunday, August 9. About 5:00 p.m. a couple named Sarah and Manuel from Colorado walked into the tent, eager to sign up for a free chance on the yellow Harley we were giving away, and they agreed to listen for 3 minutes. I shared my story of salvation including the gospel. They both listened very intently. When I finished, I asked if anything like that had happened to them. They both said it had not. I asked them if they would like to ask the Lord by faith to forgive their sins and accept Him as Lord and Savior. I am often surprised at people's responses to this question; some say yes, some no, some give vague answers or excuses. But Manuel's answer was refreshing and honest. He simply said, "Why not?" Wow! I said, "Yes, indeed, why not?" So, we had the privilege of leading both Sarah and Manuel in the sinner's prayer to accept Christ as Savior of their lives. When we finished, Manuel said, "That felt good!". Yes, and it will feel good throughout eternity!

As an added blessing, Sarah won the motorcycle we were giving away! She was very excited, and planned to take it home a couple of weekends later. But they both received something so much greater than a motorcycle: the gift of salvation and eternal life! PTL!
