The Road Behind

What a powerful month behind us! We've been out on the road actively sharing the Gospel, changing gears seamlessly from one mission field to the next. Though the road brought it's share of twists and turns, God saw us through every mile. Thank you for your hard work in our outreach efforts - lives are being changed! Continue seeking out daily opportunities to share your faith.

- *Psalm 96: 2-3*

The Road Under Us

Right now, the pavement beneath us continues to wind as we carry out the mission of sharing the Gospel with everyone who will listen. Whether serving close to home or travelling to far-off events, let's commit to "Plan and Pray," asking God to direct our steps as we fulfill the Great Commandment.

- *Proverbs 16:3*

The Road Ahead

As autumn turns to winter, temperatures are dropping. That means pulling out extra layers - but remember to always prioritize your protective gear alongside your cold-weather apparel!

Looking forward, one of our biggest outreach opportunities this month will be at the Lone Star Rally in Galveston, Texas, along with numerous upcoming holiday festivals across our regions. These gatherings open big doors for us to connect and share the hope of Christ. Pray for God to lead you, your chapter, and your local church to speak truth in love.

Keep making disciples - your life on and off the bike might be the strongest witness someone sees today!

- *Romans 1:16*

Truth to Power Your Journey

Thanksgiving

1 Thessalonians 5:18

A few years ago, I was preaching a revival meeting, and God spoke to me about that particular church and I'll never forget it. He said that church's worst enemy attends that church. Then He said - They've complained so much about that church to the community that the community no longer wants to attend.

I went back and preached Phillippians 2:14-15, *"Do all things without complaining and disputing, that you may become blameless and hamless, children of God without fault in the midst of a crooked and preverse generation, among whom you shine as lights in the world,"* and told them our complaint can dim the light so much that the hope for the community is no longer there.

As we approach Thanksgiving, may it not be only a day set aside to be truly thankful, but a life that is truly thankful.
I've heard it's hard to grumble when you have a heart full of gratitude and a mouth full of praise.

Ask God to fill you up with such gratitude that we don't dim the light and cause others not to come to God's house!

Thankful for you,

Bro. Robert, National Chaplain

"But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To Him be the glory both now and to the day of eternity." 2 Peter 3:18 – CSB

Peter encourages us to "grow in the grace and knowledge of our Lord and Savior Jesus Christ." The idea is that we must continue to progress in our understanding of who Jesus is, what He has done, and who we are in Him. That process of growing never ends for the follower of Jesus.

Yet, when it comes to riding a motorcycle, most riders take no classes after they get their license. In other words, we are happy to receive training when we are beginners, but after that, "we're good." I beg to differ!

It is vitally important for every motorcycle rider to continue their training. "But, I already know how to ride." Perhaps. I remember an old pastor telling me one time that some pastors have 20 years experience, while others have one year of experience repeated 20 times. While at Bikes, Blues and BBQ, I followed a group of riders down the Pig Trail. I was disappointed in the fact that many of them rode as if they had no idea how the motorcycle is designed to work in a corner. Training would have helped them!

Take some time this winter to do a google search for motorcycle training in your area. Courses like Champ School, Ride Like a Pro, Total Control, the BRC2 or a Riders Skill Lab are great ways to sharpen your riding skills. My personal goal is to take a class every single year.

Remember, I am here to serve you and your chapter members. If you are a Road Captain or a chapter member desiring more info on safe riding techniques, please reach out to me by email at rob.pochek@gmail.com to set up a time to chat.

Strength for the Road Ahead: This Month's Follow-Up Focus

Hello everyone,

I would like to thank you for the hard work and effort that was put forth in the month of October. The gospel went out in several different events. We had the Smokey Mountain rally, Bikes Blues and Barbecue, Barber's, Thunder Beach and so many other local events.

If you prayed with someone who surrendered their life to Jesus, follow up with them. If another chapter member prayed with someone, remind that member to follow up.

Thank you for all you do.

New Patches are coming to the store in the near future. Be on the lookout. These patches are a good representation of what F.A.I.T.H. Riders do and our calling to share the Gospel. Thankful for our members who submit ideas that can be incorporated. Be sure to check them out at store.faithriders.com/patches

Fall is in the air. The weather is cooling down. It's time to pull out the Sweatshirts and Long Sleeve shirts. Hopefully the L/S shirts will be back in stock soon.

Got other suggestions, email me @ store@faithriders.com or go to the website (faithriders.com) and submit your entry through the Suggestion Box.

What's Happening Around the Ministry – Continued

Driven by Purpose: Looking Back on a Year of Grace, Growth, and Gospel Impact

As we look back over the past year, our hearts are filled with overwhelming gratitude for what the Lord has accomplished through the Sequatchie Valley Baptist Association F.A.I.T.H. Riders. When our chapter was first commissioned last November with nine members—alongside our Ministry Liaison Cary Gomer, Chaplain Scott Flynt, Road Captain Mike Krizanovic, and dedicated team members Asher Krizanovic, Dale Ciechanowski, Mike Graham, and Riley Graham—we simply stepped out in faith. What God has done through this fellowship since then is a humble reminder of what He can do through willing hands.

From the very beginning, our heart has been to equip believers at F.A.I.T.H. Riders Chaplain Robert Rhodes led a 3-Minute Testimony training at FBC Whitwell, where over 50 people representing more than five local churches came together to grow in sharing their faith. That heart for training continued into May, as ten more gathered at Ebenezer Baptist to be equipped.

God opened doors for our team to serve both in our local community and across the country. Through testimony tents set up at Save-A-Lot in Whitwell and during the 4th of July in Dunlap, we saw three individuals pray to receive Christ right here at home.

On the road, God allowed us to join hands with fellow believers at major rallies:

- Daytona Bike Week (March): 5 of our members served; 1,631 Gospel presentations were made, and 145 people prayed to receive Christ.
- Myrtle Beach Bike Week (May): 1,097 Gospel presentations were shared, with 49 decisions for Christ.
- Sturgis, SD Bike Week (Aug): 4 of our members joined the team, resulting in 1,892 Gospel presentations and 209 people receiving Christ.
- Smoky Mountain Bike Week: Powered by 51 volunteers from four states and seven chapters, 331 Gospel presentations were made and 17 people prayed to receive Christ.

Every single one of those numbers represents a soul loved by God, and we marvel at how the Holy Spirit moved in each conversation.

None of this outreach happens in isolation. We are deeply grateful to our local churches. Smoky Mountain Bike Week was completely funded by Tennessee churches this year, and our own chapter was blessed to contribute $1,250 provided through the generosity of Sequatchie Valley Baptist congregations. We are also so thankful for the warm welcome we received while sharing about the ministry from the pulpits at Ebenezer Baptist, Lee Station, FBC Whitwell, FBC Gruetli-Laager, and Palmer Baptist.

We've also experienced sweet growth within our own family. Over the course of the year, we were thrilled to patch in new members Jackson Peak, Billy Paradise, and Jacob Hewitt. Even more exciting, on August 30, we had the joy of helping give birth to a sister chapter at Gospel Fellowship Church in Ringgold, GA, as 10 new members were commissioned into service.

What's Happening Around the Ministry – Continued

Driven by Purpose: Looking Back on a Year of Grace, Growth, and Gospel Impact (continued)

Some of our sweetest moments this year were our three Prayer Rumbles. Riding to every single church in our association to cover your holy ground, pastors, and congregations in prayer was a sacred privilege for us. Looking ahead, our team is preparing to represent our association at the Lone Star Rally in Texas next month. We humbly ask for your prayers for safe travels, open doors, and the Spirit's guidance. Chaplain Scott Flynt and I also remain eager to visit any of our remaining association churches before the year ends—whether to preach, share about the ministry, or host a testimony training for your congregation.

In addition, we want to express our heartfelt thanks to our Tennessee state leadership—State Coordinator Mike Tuey and State Chaplain Frank Webb—for their ongoing dedication and service to support and advance our ministry efforts across the state.

We share these reports not to boast in what we have done, but to celebrate what God is doing through your partnership, prayers, and support. Thank you for walking alongside us in the harvest. May we all remain steadfast, obedient, and expectant for all He will do in the Valley in the year ahead!

In Christ's Service,
