A word from Bro John Dickinson, AMS

When the time comes for me to write an article for our monthly newsletter, I already knew what I wanted to write for this month. For the past several years, I have been sharing that our finances for the association were more negative than positive. Month after month, we have been spending more than we were taking in. I felt blue in the face because it seemed no one was listening. I am glad to report that this past month, April 2026, for the first time in years, we have had a surplus in our financial giving. Next month, we might be right back where we were, but I am celebrating this victory God has given us. Thank you to our local churches in our Lamar Baptist Association.

Don't forget about our Senior Adult Rally on Monday, May 1st at First Baptist Sulligent's CLC building. Registration begins at 9:30 am. Jeff Long will be our musical guest along with Wes Wyatt, the chief meteorologist for WBRC channel 6 out of Birmingham. Come join us!
