Supporting Alabama parents

The Alabama Parent Education Center (APEC) is a non-profit 501c3, organized in 2002 by Alabama parents, educators, and professionals serving families. APEC provides services and supports to assist families particularly those underserved including minority, low-income, and those with children with disabilities.

APEC provides parents with training, information, and support to help them become meaningful participants in their children's education and lives. Our Mission-We believe that parents have the greatest impact on their children's lives. APEC provides families with the training, information, and support they need to help them ensure that their children become productive, well-educated citizens.
