

The Bible Recap

For April 22-28

DAY 46 / LEVITICUS 8–10

1. Look up the word “ordain” (8:33) in a dictionary or Bible dictionary and write down the definition. If there are any words in the definition that you can’t define, look those up too. _____

2. Moses anoints, consecrates, and ordains Aaron and his sons in today’s reading. Briefly summarize the purpose of each of these three steps. _____

3. Whose sins does the priest have to atone for first—his own or the people’s (9:7–18)? Why is this order important? _____

4. Look up the word “unauthorized” (10:1) in a Hebrew lexicon and write down what you find. What do this verse and definition suggest about where Nadab and Abihu went wrong? _____

5. How does Aaron display humility and teachability in chapter 10? How does Moses display humility and teachability in chapter 10? _____

DAY 47 / LEVITICUS 11–13

1. Why might God forbid people from eating animals that died on their own? Doesn’t it seem more cruel to kill an animal to eat it than to eat one that is already dead? _____

2. How is God’s heart for His people revealed in the required offerings for purification after childbirth (12:6–8)? _____

3. Read Luke 2:22–24. What does this reveal to us about the parents of Jesus? _____

4. God’s instructions to this new society are detailed and lengthy. Is God just trying to micromanage them? What motive might be behind all these instructions? _____

5. Look up the word “leprous” (13:2) in a Hebrew lexicon. What other items can this word apply to besides the human body? _____

DAY 48 / LEVITICUS 14–15

1. If uncleanness isn't always related to sin, why are offerings required of those who have been made clean?

2. If uncleanness isn't always related to sin, what is the purpose of distancing the unclean person from the rest of society? Is it punishment? Protection? Something else? _____

3. In 14:34, who does God ultimately hold responsible for leprosy of the house? _____

4. At this point, the Israelites are living in the desert in tents, but God is giving instructions for how to deal with problems that will exist in their future houses in the promised land. Why is God addressing a problem they don't even have yet? What might be His motive? _____

DAY 49 / LEVITICUS 16–18

1. According to 16:29–31, what does God command the people to do while the priest is atoning for their sins?

2. Using a study Bible or a web search, look up the phrase “afflict yourselves” (16:29) and write down what you find. Then, look up the words in a Hebrew lexicon for comparison. _____

3. Did you see any foreshadowing of Jesus in today's reading? Explain. Where is this foreshadowing fulfilled?
4. What does God call the false gods they've been sacrificing to in 17:7? _____

5. Besides morality, what other purpose(s) do the laws on sexual activity serve? _____
