Welcome to
Baptism **SUNDAY**

Sunday School Snap Chats

We spend a lot of time waiting for good things to happen. We wait for a vacation. We wait for a child's birth. We look forward to a new football season. Waiting builds anticipation but can give us time to make preparations. Waiting for a child's birth, we may get the nursery ready. The time leading up to a vacation can give us an opportunity to research and get the most from our destination. This week's Bible passage encourages us to live in expectation of Christ's return.

As you read 2 Peter 3:8-18, identify the promises related to Jesus's second coming. Then identify the practical implications of those promises. Read the commentary for Session 13 in your *Personal Study Guide* for additional information.

Collected shoes not only help support us, but they will be moved and given a second life by those in need through @microcentresprc. IT'S A WIN-WIN!
