Instruction manuals are a helpful tool when putting together a child's toy or new furniture. Putting these items together without instructions is difficult and frustrating. While life doesn't come with an instruction manual, as believers we have God's Word to teach us about who He is and how to walk in step with Him.

Psalms 119 demonstrates how Scripture is our instruction manual. As you read Psalm 119:1-16, identify the characteristics of someone who treasures God's Word.
