Sunday School Snippets

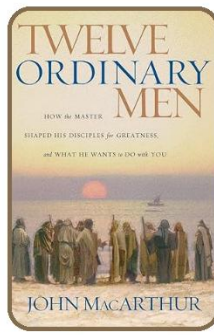

Many people today make claims that they don't need to go to church because they can worship God anywhere. But in Deuteronomy 12:1-11,29-32 God gave specific instructions to His people on how they were and were not to worship Him. As He had done before, He warned them of pagan worship and commanded the Israelites not to worship Him in the same way as the Canaanites.

As you read through the passage for this week, highlight the imperatives. Why do you think God considered these specific actions so corruptible that they called for the death penalty for fellow Israelites?
