Sunday School Snippets

A new phenomenon over the last fifteen years has been the advent of social media influencers. In fact, the term “influencer” was not added to the *Merriam-Webster Dictionary* until 2019. These influencers on the internet produce interest in a variety of products and ideologies. This approach to marketing has a value of well over \$20 billion dollars. Some of these influencers have become folk heroes to many internet users.

Read through Matthew 5 in your Bible and the Session 4 commentary in the *Personal Study Guide*. Which of Jesus’s teachings about what it means follow Him presents the greatest challenge for you?
