Sunday School Snippets

Decision making can be difficult. Often, we seek some sign that this is the right direction and the correct decision to make. Is this the right job to take? Is this the best house to buy? Is she the one for me? How do we know for certain? If we only had a sign! Wouldn't it be great if someone magically appeared to give you affirmation that what you are doing is correct? How about a sign in the sky, or a voice out of the blue?

Read Matthew 17:1-13 and jot down questions you have about the narrative in these verses. Use to the commentary from Session 4 in the *Personal Study Guide* to give you more insight.
