## Sunday School Snippets

Everybody wants to be treated fairly. We become resentful when we perceive we have not received equal treatment. “Unfair,” we cry as we demand justice. “He got a bigger piece of cake!” “Her bonus was larger than mine, and I did most of the work.” We always want what we think we deserve. Yet life often is unfair. Life never levels the playing field for all those participating. Some are treated better, others are pushed down, but all suffer under the inequalities of life.

Read Matthew 20:1-16 in your Bible and put yourself in the story. How would you react had you been among those who were hired at the first hour? Use the *Personal Study Guide* commentary in Session 8 to assist you in answering this question.
