One of the central truths of the Bible is that every human being is a sinner. We sin against others, and every sin is a sin against God. The Bible also reveals that though we may try, we cannot hide anything from God—including our sins. What's more, the Bible clearly declares that there will always be negative consequences for one who tries to conceal one's sin from God. Nevertheless, there is good news. God's Word teaches that whoever confesses and renounces their sins to God will find mercy and forgiveness.

Read Joshua 7:10-23 in your Bible and the commentary for Session 5 in the *Personal Study Guide*. Identify the corporate effect of sin and the corporate responsibility of Israel for the sin.
