Crash landings of commercial jets are extremely rare. Nevertheless, one of the normal routines before a commercial jet takes off is flight attendants giving passengers instructions on what to do in case of an emergency landing on land or water. Most passengers seem to ignore the flight attendants. People might get away with that on a plane, but it is always costly when people ignore warnings in the Word of God.

Read Joshua 24:14-24 and the Session 7 commentary in the *Personal Study Guide*. Highlight all the ways Joshua encouraged the Israelites to be faithful to the Lord.
