SERMON SERIES

Sunday School Snippets

The expression, “Cinderella story,” is an analogy that originates from the children’s story of “Cinderella.” It refers to someone who has come from obscurity to surprisingly gain significant recognition or success. Most people enjoy a good Cinderella story. Someone like Abraham Lincoln, who came from a humble background to become president, is an example of a Cinderella story. There are many occasions in the Bible when God used unlikely people to do extraordinary things so that He would receive the glory.

As you read Judges 7:1-8,19-23, identify how Israel continued its downward spiral of unfaithfulness to the Lord. Use the commentary for Session 10 in the *Personal Study Guide* to help you.
