Sunday School Snippets

Nobody likes feeling helpless and insecure during crises. People often struggle to ask for help. Some isolate and withdraw from others, making things worse. Crises challenge our faith to the point that we may wonder if God is in control or cares about our situation. Social media allows people to put on their best face, hide, and pretend they have it all together. Down deep, everyone knows they need something more than what society offers. God has answered the world's cry with an ultimate solution.

As you read Ruth 3:8-13; 4:13-17, take notice of how God worked through Naomi, Ruth, and Boaz to unfold His sovereign plan. Use the Session 13 commentary from the *Personal Study Guide* for additional insight.
