BAPTIST CHURCH

September 6, 2026

Sunday School Snippets

This week we will begin a new study through the book of Romans. Written to the church at Rome—a church Paul neither planted nor had visited previously—this epistle provides a clear and detailed explanation of God’s plan of salvation. This week we will dive deep into Romans 1:13-25. Though God has made Himself evident to the world through general revelation, people still chose to elevate the created over the Creator. But God provided a plan, and His gospel alone has the power to remove the guilt of humanity’s sin.

In preparation for this week’s discussion, consider how the power of the gospel influences your desire to share the good news of Jesus with others. We will discuss this and how we can cultivate a heart that is eager to share the gospel more this week. We hope you’ll join us!
