Sunday School Snippets

In the beginning of chapter 3 Paul discussed the law, explaining that the Law did not make the Jews better off than the Gentiles. After this, he explained that salvation does not come by works of the law but by grace. Because everyone has sinned and has fallen short of God's glory, the grace of God demonstrated through Jesus's death on the cross is available to all. A right standing with God comes by faith alone.

As you prepare for our discussion this week, consider what it means to be justified by faith instead of works. How is this good news? We hope you will join us this week for our study of Romans 3:21-4:5!
