Sunday School Snippets

Last week we studied the truth of justification by faith in Christ. This week as we move into Romans 5:1-11, 18-21 we will dig deeper into the benefits of faith in Christ and what justification provides. In our text this week we'll see that one result of our justification is reconciliation with God.

As you read the passage in preparation for our discussion this week, reflect on your personal relationship with God. What difference has knowing that you've been reconciled through Christ made in your daily life? We'll examine this topic more in our study this week!
