Sunday School Snippets

A common misconception of Christianity is that once someone experiences salvation, they cease to struggle with sin. Paul shut down this false thinking in Romans 7:4-6, 14-25, using his own personal struggle with sin as an example. Though the struggle with sin is real, believers can be encouraged to know they do not battle sin in their own power.

What approach do you take to deal with sin in your own life? Reflect on this question in preparation for our study this week.

Our Goal has been
Reached!

Thank you,
Faith Family!
