Sunday School Snippets

Paul wrote to the Romans on the reality of sin and humanity's justification through Christ. He covered the gospel and God's plan of redemption for all people. Now, in Romans 12:1-13, Paul moved to the life of a believer after salvation. In these verses he described the Christian life as an offering to the Lord, and affirmed that every believer should use his or her spiritual gift for the benefit of the church.

As you read the passage this week, reflect on how your exercise of spiritual gifts contributes to the overall spiritual maturity of the church. We hope you'll join us for our discussion this week on how we can all use our gifts in service to the Lord!
